VOLUME 55 **SEPTEMBER NEWSLETTER 2021** ISSUE 01

Protect others! Protect yourself!

It is very important to continue to wear a mask even if it's not mandated! A face mask provides protection to those around you, as well as yourself. Face mask act as barriers for respiratory droplets. Respiratory droplets aren't spread solely by coughing and sneezing. They can be expelled by talking, singing, laughing, and breathing heavily. This is why we have mandated that everyone who walks into our premises must wear a mask. Covid-19 Cases in o our community are continuously growing and we have to make sure that we can do everything we can to prevent the spread. Employers, please advise all donors that are being sent in to wear a mask.

Flu Season is here!!!!

Seasonal influenza is most often caused by type A or B influenza viruses. Symptoms include sudden onset of fever, cough, headache, muscle and joint pain, sore throat and a runny nose of which is very similar to our current situation with Covid-19. The cough can be severe and can last 2 or more weeks. Most people recover from fever and other symptoms within a week without requiring medical attention. However, influenza can cause severe illness or death in high-risk groups.

During the COVID-19 pandemic, reducing the overall burden of respiratory illnesses is important to protect vulnerable populations at risk for severe illness, the healthcare system, and other critical infrastructure. Thus, healthcare providers should use every opportunity during the influenza vaccination season to administer influenza vaccines to all persons. We are now offering the flu vaccine for walk ins and can schedule your company onsite today. For additional information please contact our office at 432-332-9421.

✧ Training Classes ✧

Drug Screen Compliance offers Supervisor Awareness Reasonable Suspicion Training Classes. Not only required by all DOT industries, but by most major Operators. We also offer DER (Designated Employer Rep) Training Classes. This class will train DER's and their assistants what their responsibilities are and how to handle certain situations like positive drug and alcohol results. These classes are offered in Odessa September 14th, 15th, 16th !!!! Call and reserve your seat now and take advantage of this great opportunity. Attendee numbers are limited due to SOCIAL DISTANCING in our classrooms. Call and reserve your spot now!! All offices are mandating masks to be worn. If you do not have one, we will provide you with one to keep you and your staff safe during these times!

All offices are always on call for Post Accidents, Reasonable Suspensions, Emergencies, and Holidays 24 hours, 7 days a week!

Our office will be closed September 6th in observance of Labor Day!!!!
