Fentanyl Awareness!

It is important to clarify how illicit fentanyl is devastating Americans. Illicit Fentanyl is sold through illegal drug markets for its heroin-like effect. Across the United States, fentanyl lacing has greatly contributed to fatal overdoses. Since fentanyl is so strong and cheap to make, dealers add it to other, more expensive drugs to cut down on their costs. Fentanyl has been found to be laced into essentially every black-market drug, including cocaine, heroin, Xanax, more dangerous drug. It takes only 2 mg a lethal dose. When someone takes them self in mortal danger. This is why we Fentanyl testing including rapid cup test

the test. Unfortunately, fentanyl is spreading in our community and coming for our younger generations. Help keep yourself or your family safe and prevent your loved ones go through a situation like this. If you would like additional information please contact our corporate office at 432-332-9421.

oxycontin and ecstasy which makes it an even of fentanyl to cause sudden death and can be fentanyl without realizing it, they often find have created new testing panels that include that provides a result within minutes of taking

Let us help you with your testing needs!!!

Rapid Drug Test Available!!!!

Rapid Drug testing is, simple, immediate, and inexpensive. It is a great solution for private companies, institutions, and schools that perform pre-employment, drug testing or wish to test existing employees. Also, it can be difficult to watch our loved ones struggle with unhealthy habits. In order to provide the needed support to help them overcome those unhealthy habits, these rapid drug tests can give us a place to start and a tool to monitor their progress. We currently offer 6 and a NEW 12 panel rapid drug test that includes Fentanyl at all our 6 locations where results can be given to you within minutes! Please contact our office for additional information at 432-332-9421.
