Fight the flu! It starts with you!

A flu shot can save your life! This year's annual flu shot will provide protection against four of the influenza viruses expected to be most common during this flu season. The flu is estimated to cause 400,000 respiratory deaths each year on average across the world. These deaths come from pneumonia and other respiratory symptoms caused by the flu. Each year, millions of people get sick with thousands that are hospitalized, and some resulting in death due to the flu. We recommend to get you flu shots in the month of September and October, the vaccine takes a couple of weeks to build up antibodies to give your body the immunity in needs help fight the flu. We encourage the community especially adults of the age of 65 and older who are at a higher risk to get the flu to get their shot today. Employers, now is the time to act and prevent the flu from affecting your work place which can help reduce missed work and the spread of flu to others. We are currently scheduling on-site Flu shots please contact our corporate office to 432-332-9421 and we can have you scheduled today!

Flu shots are now available if you can come to us we can come to you!!!

Rapid Drug Test Available!!!!

Rapid Drug testing is, simple, immediate, and inexpensive. It is a great solution for private companies, institutions, and schools that perform pre-employment, drug testing or wish to test existing employees. Also, it can be difficult to watch our loved ones struggle with unhealthy habits. In order to provide the needed support to help them overcome those unhealthy habits, these rapid drug tests can give us a place to start and a tool to monitor their progress. We currently offer 6 and a NEW 12 panel rapid drug test that includes FENTANYL at all our 6 locations where results can be given to you within minutes!
