VOLUME 57 **NOVEMBER NEWSLETTER 2023** ISSUE 11

Lou's Clinical Lab/Drug Screen Compliance is now celebrating 57 years of serving the Permian Basin! The lab's beginnings were blood testing for marriage licenses, cosmetology licenses and administering allergy shots. All of us are glad to say we have come a long way and have been able to expand our services.

What Lou & Louise Linneman started back in 1966 has become one of the most recognized, awarded and largest providers of drug and alcohol testing corporation as well our DOT compliance expertise and physicals. Faith, family, and business have been instrumental in making us last this long and continue into 2024.

This Thanksgiving and Christmas, our team wishes you, your family and our country peace, prosperity, and good health. Thank you again for all of those who choose to use our services and that have helped us shape our business this year.

We value our relationship with you and look forward to working and helping our community for many years to come. Our calendar shows our Holiday hours and dates closed for our employees to celebrate the season with their families. We are always available 24/7 for your personal, and corporate needs with our on-call services in all 6 offices.

Have A Happy, Safe, and Drug Free Holiday!

President, *Stephen Linneman*

Let's Welcome our New Clients!
