Lets keep your company compliant!

As the leading Drug testing provided in the Permian Basin our goal is to provide our clients with keeping your company safe and drug free. A safe workplace is not just a legal requirement; it's a fundamental element of a successful business strategy. When employees feel safe and secure, their productivity increases, morale improves, and turnover rates decrease. Let's make this new year essential for your business and allow us to keep those safety practices in place by offering you an amazing Random program that will keep your company compliant with all major auditors. We offer a list of background checks and MVR's that are required by the Department of Transportation every year to ensure that your driver meets the requirements for safe driving. This year the Drug and Alcohol Clearinghouse has enforced a new method of keeping our roads safe and drug free, the state is now obligated to downgrade a CDL license if they have previously had a violation, don't let this happened to you. Stay ahead if the game and learn if any of your candidates have had any violations before they even start with you. We can provide you with the information required to set up your company and run all your queries. For additional information on all our services please contact our office to 432-332-9421.

Rapid Drug Test Available!!!

Rapid Drug testing it is, simple, immediate, and inexpensive. It is a great solution for private companies, institutions, and schools that perform pre-employment, drug testing, or wish to test existing employees. Also, it can be difficult to watch our loved one's struggle with unhealthy habits. To provide the needed support to help them overcome those unhealthy habits, these rapid drug tests can give us a place to start and a tool to monitor their progress. We currently offer 6 and a NEW 12 panel rapid drug test that includes FENTANYL at all our 6 locations where results can be given to you within minutes!
