VOLUME 59 **NOVEMBER NEWSLETTER 2025** ISSUE 11

A Heartfelt Thanks from Lou's Clinical Lab Drug Screen Compliance

As we approach the end of another year, we're proud to celebrate 59 years of serving the Permian Basin! What began in 1966 as a small lab providing blood testing for marriage and cosmetology licenses, along with administering allergy shots, has grown into one of the region's largest and most trusted providers of drug and alcohol testing, DOT compliance, and physical exams. Lou and Louise Linneman's vision, rooted in faith, family, and dedication, has flourished beyond what they could have ever imagined.

Today, we're honored to continue their legacy and serve over 5,000 clients across multiple locations. As we reflect on this year's successes and challenges, we want to take a moment to thank our loyal clients for your continued trust and partnership. You've helped shape our business and drive us to new heights. Your support allows us to grow, evolve, and provide the exceptional service you've come to expect from us. This Thanksgiving and Christmas season, we extend our warmest wishes to you and your loved ones. May the holidays bring you peace, prosperity, and good health.

While Lou and Louise started it all, our incredible team of professionals is what continues to propel us forward. From our on-call services to our compliance experts, we are proud to work alongside such dedicated individuals who go above and beyond every day. We truly believe that it's not just the services we provide, but the people behind them who make all the difference.

Wishing you a Happy, Safe, and Drug-Free Holiday Season!
